

2025 HFS Membership Info

Known world wide for its professional artistry and small town hospitality, the Harrison Festival Society is and will remain a beacon for growing acceptance of diversity and purpose-fueled arts programming. It is **the amazing support and generosity of our Festival family that has kept this 46 year old tradition going** and with your help it will continue into tomorrow.

What We Do

Each July the Harrison Festival Society produces the **internationally acclaimed Harrison Festival of the Arts**, a ten day, cross disciplinary, multi-cultural art event held on the scenic shores of Harrison Lake, BC. The Society also presents an **annual Season of the Performing Arts** consisting of eight to ten shows presented from September to May in the intimate Harrison Memorial Hall. Two separate fund-raising events are organized each year as well. Outside of these activities the HFS has also developed many community partners and works closely with other organizations, businesses and institutions.

Why We Do It

The Harrison Festival Society is built on **two very strongly held beliefs**. The first is that **good quality live performing arts are an integral part of a healthy community** and that within their local area people should be able to explore the human community through the presentation of a full spectrum of artistic expression. The second belief is the importance of celebrating the cultural diversity of Canada and the world and that **presenting audiences with the artistic expression of diverse cultures helps them appreciate the contributions of different cultures** to our common culture.

The Society's commitment to its audience is to bring **the best Canada and the world has to offer, while remaining accessible and inclusive**.

Who We Are

The Harrison Festival Society is a **non-profit organization** incorporated in 1988 under the BC Societies Act. The Society is governed by a board of directors, employs a staff of three and has an office open twelve months a year in beautiful Harrison Hot Springs. The Society relies heavily on the support of the broader Festival community made up of over 100 dedicated volunteers, 200+ performers and artists, countless sponsors, partners and advertisers and of course our Festival family members! Together this supportive and encouraging community makes what we love to do possible. **We encourage you to be a part of what makes the Harrison Festival special and consider joining the family!**

Your financial support does **double duty**; your contributions not only help in fulfilling the mandate and year round events and activities of the Festival Society but other funding agencies are much more likely to assist when they see the level of support we receive from the
